The Secrets Of Dr. Taverner
Practical Psychic Self-Defense

After finding herself the subject of a powerful psychic attack, Dion Fortune wrote this detailed instruction manual for safeguarding yourself against paranormal malevolence. Fortune explores the elusive psychic element in mental illness and, more importantly, details the methods, motives, and physical aspects of psychic attack, and how to overcome this energy. The revised edition of this New Age classic includes an index and an additional explanatory note for contemporary readers. Index.

Dion Fortune describes techniques for raising the personal magnetic forces within the human aura and their control and direction in magic and in life, which she regards as 'the Lost Secrets of the Western Esoteric Tradition'. Gareth Knight provides subject commentaries on various aspects of the etheric vehicle, filling in some of the practical details and implications that she left unsaid in the more secretive esoteric climate of the times in which she wrote.

The Winged Bull is a tale of magic and sexuality. Down on his luck, Ted Murchison invokes the Winged Bull, a god of ancient Babylon, to come to his aid. Immediately, he is drawn into a vortex of weird events in which he is asked to rescue the daughter of an old friend from the clutches of a black magician.

"After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack.

Psychic well-being and psychic self-defense are two sides of the same coin, just as are physical health and resistance to disease. Each person (and every living thing) is surrounded by an electromagnetic force field, or AURA, that can provide the means to psychic self-defense and to dynamic well-being. This book explores the world of very real "psychic warfare" of which we are all victims.

You could be the target of a spell or curse and not even know it! All people, witches or not, are susceptible to these attacks. The difference: witches and magicians can do something about it. Now you can too. Protection & Reversal Magick is a complete how-to manual on preventing, defending, and reversing magickal attacks of any kind. You will learn to: Set up early-warning systems. Appease angry spirits through offerings. Perform daily banishings and make amulets that will prevent most attacks. Make magickal "decoys" to absorb attacks against you Summon guardian spirits or gods for help. Bind, confuse, or expel a persistent enemy who will not leave you be. These techniques aren't just for Wiccans, either, but for ceremonial magicians, rootdoctors, witches, and anyone else who puts magick to a practical use. Like the cunning men and women of old, now you can defend yourself and your loved ones against even the strongest attacks!

Do you suffer from nightmares? Are you a therapist or a healer? Your physical immunity is not the only thing that needs an occasional boost/ sometimes your psychic immunities need extra protection from invading energies, too. The simple and effective psychic protection tools explained in this book include visualizations, flower remedies, gems and talismans, as well as practical advice for avoiding psychic compromises.

Israel Regardie wrote The Tree of Life, a book many consider his magnum opus, in 1932. It has continued to sell for decades. And no wonder. Up until the time this book was published, very little information about true high magic was available to the public. In this book, Regardie reveals the secrets of real
magic. He begins with an explanation of what magic is and, just as importantly, what magic is not. He explains that it is a spiritual study and practice which, along with forms of yoga, forms the two branches of the tree that is mysticism. Magic is not being a medium or a psychic. Then he explains the tools of the magician, what they mean, and how to use them. He explains the techniques of evocation and invocation, skrying, and astral travel. He shows how the Qabalah unites everything. He even gives a description of the secrets of sexual magick. All of this is in a clear, lucid writing style. This book is simply a must for anyone who is, or aspires to be, a real magician. Although Chic and Sandra Tabatha Cicero were friends of Regardie and are Senior Adepts of the Hermetic Order of the Golden Dawn, what changes could they have made to this classic book? Well, they did change the spelling from British style to American. And they did change his transliterations of Hebrew into the more popular style he used in his later books. But nothing vital was changed or removed. Everything else they added was complementary to the text that was there. And what incredible additions they are! Extensive annotations throughout every chapter; over 100 illustrations; more descriptive contents pages; a glossary, a bibliography and an index. They've even added a biographical note on Regardie and the importance of this book to him and to the occult world. This book contains some of the finest occult writing that has ever been produced. And with the new material by the Ciceros, it becomes a must-have for any magician!

Offers a look at how to create safe "psychic places" and benevolent feelings in the face of difficult and challenging situations, such as meeting new people, traffic jams and long lines, and emotionally charged family get-togethers. Original.

Spiritual Protection: A Safety Manual for Energy Workers, Psychics, and Healers is a training handbook for anyone interested in deepening their psychic abilities, training gifts already in evidence, or simply developing a greater sensitivity to energy. This no-nonsense book, with its special emphasis on safety, protection, and energetic awareness, takes readers step by step through a thorough system of exercises designed to increase competence, confidence, and skill. Focusing on oft-neglected fundamentals, Reicher cuts through the complexity and confusion so often surrounding this topic and instead offers clear instructions and explanations that even the most novice of readers can easily follow. Spiritual Protection will show: Psychics and Readers how to cut mental ties at the end of session. Healers how to avoid energetic overload during a session. Techniques can be used everyday to help with stress and overall well-being.

Immediately following Britain's declaration of war in 1939, Dion Fortune began a series of regular letters to members of her magical order, the Fraternity of the Inner Light, who were unable to hold meetings due to wartime travel restrictions. With enemy planes rumbling overhead, she organised a series of visualisations to formulate "seed ideas in the group mind of the race", archetypal visions to invoke angelic protection and uphold British morale under fire. "The war has to be fought and won on the physical plane," she wrote, "before physical manifestation can be given to the archetypal ideals. What was sown will grow and bear seed." As the war developed, this was consolidated with further work for the renewal of national and international accord. For the first time the Fraternity's doors were opened to anyone who wanted to join in and learn the previously secret methods of esoteric mind-working. With unswerving optimism she guided her fraternity through the dark days of the London Blitz, continuing her weekly letters even when the bombs came through her own roof. Introduction and commentary by Gareth Knight.

After finding herself the subject of a powerful psychic attack, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the 20th century.

This practical and informative inspirational guide teaches readers how to cleanse and strengthen their aura and protect it from obsession, possession, astral attack, psychic vampires, cults and negative energies.

These four remarkable women, core members of the Hermetic Order of the Golden Dawn, left a lasting imprint on the politics, literature, and theater of 19th-century Europe. Less well-known than the famous men in their lives, including Yeats and Shaw, their stories are now told.

Esoteric Orders and their Work examines how and why esoteric schools have restricted admission to their secret societies and orders, and shrouded their practices in mystery. The knowledge guarded by these schools--passed down through the ages, and revised from time to time by great teachers--is a secret traditional science that studies the causes that lie behind observable phenomena. Dion Fortune reveals every aspect of these secret organizations and the training they offer to initiates.

A description of Glastonbury that remains one of the most evocative and poignant accounts of this wild yet holy place; a power center polarizing with distant Jerusalem and linking and harmonizing the Christian way with the primeval and pagan past of England.
Using the techniques in this book, readers learn to identify, confront, and rid themselves of unwelcome "energy parasites" that can disrupt physical, mental, and emotional wellbeing.

Reveals a fascinating approach to esoteric healing, taking into account the whole human being. Health problems are examined in terms of their physical, etheric, astral, mental or spiritual origination, along with principles of esoteric diagnosis based upon the structure of the Qabalistic Tree of Life. The function and malfunction of the psychic centres are described along with principles for their treatment by conventional or alternative therapeutic methods, with particular attention paid to the aura and the etheric double. Apart from its application to the healing arts, much of the material is of wider interest for it demonstrates techniques for general development of the psychic and intuitive faculties apart from their more specialised use in assisting diagnosis.

Death is a universal experience. No one can hope to escape. It is only a matter of time till it comes to each one of us and each one of those we love. Yet what is it that makes such a natural process so terrible? Most deathbeds are peaceful when the time comes, so what, then, is it we fear in death that it should be for us a thing of grief and dread? In Through the Gates of Death, Dion Fortune presents a dynamic assessment of what really happens when the soul finally separates from the physical body, revealing the knowledge that constituted the supreme degree of the Egyptian mysteries. Spiritism in the Light of Occult Science is Dion Fortune's in-depth study of a phenomenon which swept the world of her day. It covers all aspects of the subject including Communication with the Departed, the Psychology of Trance-Mediumship, The Physical and Mental Phenomena of Trance and the Dawn of the Higher Consciousness.

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of Women of the Golden Dawn, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century.

Complete Guide to Protecting Yourself Against Psychic, Magickal & Paranormal Attack (and just plain irksome people) Have you ever felt a negative energy come over you for no apparent reason when you were near someone or around certain places? Had a curse hurled at you? Been spooked by a ghost in a building? Impeled by demonic forces? Been drained and discombobulated by an energy vampire? Or, do you encounter more mundane but still disruptive negative energies like an over demanding boss, the local bully, hurtful gossip, a physically or mentally abusive spouse, or life in a dangerous neighborhood threatened by thieves and violence? Whatever your source of negative energy, danger or threat, you'll find effective, proven, psychic and magickal countermeasures within this book. Psychic Self Defense draws upon Embrosewyn's six decades of personal experience using psychic abilities and magickal defenses to thwart, counter and send back to sender, any and all hostile paranormal threats. Everything from unsupportive and dismissive family and friends, to ghosts, demons and exorcisms. The same practical and easy to learn magickal techniques can be mastered by anyone serious enough to give it some time and practice, and can aid you immensely with a host of material world challenges as well. 17 psychic and paranormal threats are covered with exact, effective counter measures, including many real life examples from Embrosewyn's comprehensive personal experiences with the paranormal, devising what works and what doesn't from hard won trial and error. Whether you are a medium needing to keep foul spirits away, or simply someone desiring to know that you, your family and property are safe and protected, you will find the means to insure peace and security with the proven psychic and magickal methods outlined in Psychic Self Defense.

The chapters in this book consist of articles that appeared in the Inner Light Journal, house journal of the Society of Inner Light, between Spring 1997 and
December 2001. Their common theme revolves around aspects of the life and teachings of Dion Fortune. Special articles include: The Arthurian Formula, From Watchers of Avalon to the Church of the Grail, and The Lady of the Lake.

This inspirational book will aid you in finding stability and security in a changing and challenging world. It explains the difference between self-protection and fear-based defences and shows you how you can use crystals and other spiritual tools - including journeying, smudging, affirmations, breathwork and more - to change your mindset from a fearful one into a more confident positive approach to the world. Judy has put together simple - and effective - ways to enhance energy levels and boost protection that have been used for thousands of years. Her tools, techniques and powerful energetic practices will help you to work with the unique healing energies of crystals to take charge of your life and embrace change with power and gusto.

A bright, bold debut about a girl who happens to have been born a boy, but refuses to let that stand in the way of her dream. George joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

Applied Magic Dion Fortune - Applied Magic is a selection of Dion Fortune's writings on the practical applications of magical and esoteric techniques. Everyone has the ability to access the invisible planes of existence- a whole kingdom of mind and spirit- which cannot be perceived with the physical senses. Fortune provides invaluable guidance to anyone intent on increasing their inner awareness. She declares, "Esoteric tradition admits of no exclusiveness; it is the very essence of its spirit that it blasphemes no God that has been hallowed by our devotion. It sees all religions as the expressions of our spirit rather than the personal revelation of a jealous God to His chosen people. It suffers from neither superstitious awe nor bigoted fear."Contents1. The Occult Way2. Some Practical Applications of Occultism3. The Group Mind4. The Psychology of Ritual5. The Circuit of Force6. The Three Kinds of Reality?7. Non-humans8. Black Magic9. A Magical Body10. The Occult Field Today11. Esoteric Glossary

The Demon Lover was first published in 1927, the same year as H.P. Lovecraft's The Call of Cthulhu. Dion Fortune was among a generation of occult horror writers that formed popular culture's obsession with secret societies, vampires, demons, ritual magic, and dark powers lurking in the shadows. What sets Fortune apart from so many of her contemporaries is her deep knowledge of the inner workings of magical orders, rites, and practices, and her own freethinking on occult subjects, demonstrated in the classic Psychic Self-Defense and The Mystical Qabalah.

Recommends methods for developing psychic powers and discusses the basics of the occult sciences and psychic arts.
Death hounds, shape shifters, and vampires are among the patients treated by the Holmes-like Dr. Taverner and his assistant Dr. Rhodes in this work of supernatural fiction by acclaimed spiritualist and occult writer Dion Fortune. First published in 1926, the adventures of Dr. Taverner and Dr. Rhodes take readers across the marshy moonlit fields of nightfall, hunting spirits and keeping watch over souls. Suffering from vampirism? Being stalked by a death hound? Haunted by past life debts? Family under a suicidal curse? From across the countryside patients and their desperate families come to seek treatment for unconventional diseases from an unconventional doctor. His secret? Treating the diseases of the occult. Though Fortune wrote The Secrets of Doctor Taverner as her first novel, she maintained that all the events were based on true occurrences. Many believe Taverner to be Fortune’s own spiritual teacher, Dr. Moriarty, and Rhodes to be based on Fortune herself. An essential and fun read for anyone interested in the Western Mystery Tradition, Dion Fortune, the melding of medicine and magic, or just good old-fashioned paranormal fiction.

The Training and Work of an Initiate shows how, from ancient Qabalistic, Greek, and Egyptian roots, the Western Esoteric Systems have an unbroken initiation tradition that has been handed down from adept to neophyte. In this book, Dion Fortune indicates the broad outlines and underlying principles of these systems, illuminating an obscure and greatly misunderstood aspect of the path. Thanks to her teaching, even if you cannot give your entire life over to the pursuit of esoteric science, you can still develop a philosophy of life and learn your individual relationship to the cosmic whole. You will discover how initiates prepare body, mind, and spirit for the challenging journey that is the esoteric path, what the path of initiation looks like, and what it is to be called to this work. The book is filled with accessible information, presented in a way so that “even that which the smallest cup can carry away is the true water of life”. This revised edition contains a new foreword by Gareth Knight, and an index.

A concise and professionally-researched summary of Dion Fortune’s book: “Psychic Self-Defense”. From Alden Marshall’s Condensed Esoterica series, this complete summary provides a fast and straightforward way to understand and study the main ideas and concepts of the original source text. About the Original Book: Psychic Self-Defense by Dion Fortune discusses the identification, causes, effects, and methods of defense against various forms of psychic and magical attacks. "Psychic attacks," as she calls them, may originate from the mind of fellow humans or they may be due to the concentration of unseen forces at certain places. In addition to this, the author provides numerous details about the dangers and cultures associated with occult practice, providing the reader with the means to navigate successfully in this dark and fascinating world. Added-value of this summary: * Save time * Understand the key concepts * Expand your knowledge Note to readers: This is an unofficial summary and analysis of the book and not the original book itself. Alden Marshall and the Condensed Esoterica Collection are wholly responsible for this content and are not associated with the original author in any way. You are encouraged to purchase and read the original text in addition to this summary.

Is everything that goes on in your mind really you? Perhaps not, says Australian psychic researcher Robert Bruce. Drawing on more than two decades of firsthand research and experience, Bruce reports that our minds are subject to influences from many unseen spiritual sources. Some of these can influence how we think, feel, act, and even how our bodies function. They can make us unhappy, irritable, confused, sick, unstable, even crazy. This is why we need practical tools and countermeasures for psychic self-defense, all of which Bruce provides. This is the ultimate guide to combating the influences of earthbound spirits, deranged ghosts, astral snakes and spiders, demonic spirits, and poltergeists. This is a highly anecdotal and comprehensive practical guide to the dark side of the psychic universe.

Through a simple explanation of the factors governing interaction between masculine and feminine, Fortune reveals the psychology of love and relationships.

An occult classic and a Dion Fortune bestseller of strongly growing interest. Fortune was one of the first to bring this “secret tradition” to a wider audience with her clear and comprehensive exploration of the Qabalah tradition. The Mystical Qabalah remains a classic in its clarity, linking the broad elements of Jewish traditional thought—probably going back to the Babylonian captivity and beyond—with both Eastern and Western philosophy and later Christian insights. The Qabalah could be described as a confidential Judaic explanation of the paradox of “the Many and the One”—the complexity and diversity within a monotheistic unity. Whereas the Old Testament outlines the social and psychological development of a tightly knit “chosen group” culture, the supplementary Qabalah provides a detailed plan of the infrastructure behind the creative evolutionary process. The Mystical Qabalah devotes a chapter to each of the ten schematic “God-names,” the qualities or Sephiroth which focus on the principal archetypes behind evolving human activity: the Spiritual Source; the principles of Force and Form; Love and Justice; the Integrative principle or the Christ Force; Aesthetics and Logic; the dynamics of the Psyche; and, finally, the Manifestation of life on Earth in a physical body.

First published in 1938 and 1956, neither Sea Priestess nor Moon Magic have been out of print and are enduring favorites among readers of esoteric fiction. "New packages will update these classic novels and introduce them to a new generation of readers."
